A MADE IN ITALY ICON

The Pardo 50 is the second model of the Pardo Yachts range. This 16-meter walkaround boat establishes Pardo Yachts as the new brand leader of the Made in Italy motorboats sector. The Pardo 50 possess a perfect balance between performance and comfort.

Its V-shaped hull has a variable geometry: 16° at stern and more than 50° in the forward section. This guarantees a great seakeeping and at the same time good maneuverability, allowing planning in safe and fast conditions. The convex bottoms ensure a greater shape stability
